

MARK XP: ☐ ☐ ☐

Whenever you...

- ...**Ask** a clarifying question about what to type
- ...**Type** something you disagree with
- ...**Use** a new keyboard shortcut
- ...**Learn** something new about tooling
- ...**Ignore** a direct instruction from someone who isn't the Navigator (while on keyboard)

Or when you...

- ...**Make** an XP action from a previously completed Level 1 playbook

THE DRIVER

"Vrooom vrooom!"

A master of your tools,
and a quiet professional,
you're here to get the team
rapidly through every red, green,
and yellow.
